

INTEGER WEALTH GLOBAL

PROJECT LIST EXCLUSIVE OF REGISTER – IN PROGRESS

ISSUED – 02 March 2020

PROJECTS

The project table below illustrates both historical, recent and current projects successfully engaged with and funded, and which are part of the Integer Wealth Project Register.

The projects showcased below are a current representation of the capacity which Integer Wealth has recently funded or financed through our short to medium term investments. Several projects are debt based, asset class based, and investment equity based.

Please be advised that each project is subject to a non-disclosure agreement as each project has bespoke finance structures, of which the terms and conditions are strictly confidential by rights to our clients, and which Integer Wealth, its associates or service providers may not disclose publicly nor to any non-party clients, investors or institutions.

Kindly note that Integer Wealth strictly adheres to international industry standard as also self-governed privacy policies including GDPR policies which govern such internal policies too. Information regarding any project is not for public, sample or comparative consumption and always remains the property of the client.

Integer Wealth only uses the client's intellectual property for the express purpose of funding and investment into client projects.

The information below is purposefully void of client details and content is updated as and when the projects reach milestone objectives statuses and modifications are made at the discretion of the authors and the clients represented herein.
