Policy on Integer Wealth Global Website Content

Date: 02 September 2024

Policy Statement

At Integer Wealth Global, we strive to maintain accurate, up-to-date information on our website to reflect the dynamic nature of the financial and investment industry. This Website Content Policy outlines our approach to content management, updates, and user expectations.

1. Content Updates & Disclaimer

All content provided on the Integer Wealth Global website is subject to periodic updates to ensure it aligns with industry trends, regulatory changes, and our evolving operational procedures. We do not issue formal announcements or notifications regarding these updates. The information available on our website is modified as necessary to reflect the latest developments in financial and investment sectors, which may influence our policies and business operations.

2. No Guarantee of Permanent Accuracy

While we endeavour to ensure the accuracy of our website content, Integer Wealth Global makes no guarantees, expressed or implied, regarding the completeness, reliability, or up-to-date nature of the information presented. Website visitors should always verify information independently before relying on it for any financial or investment-related decisions.

3. Third-Party References & External Links

Our website may contain references to third-party sources or external links. These are provided for informational purposes only, and we do not assume responsibility for the accuracy or reliability of external content. Users are advised to exercise caution when interacting with third-party resources.

4. Intellectual Property & Usage Rights

All content, including text, images, logos, and design elements on the Integer Wealth Global website, is the intellectual property of Integer Wealth Global unless otherwise stated. Unauthorized reproduction or redistribution of website content is strictly prohibited without prior written consent.

5. Amendments to this Policy

Integer Wealth Global reserves the right to modify this Website Content Policy at any time without prior notice. Changes will take effect immediately upon publication. We encourage visitors to review this policy periodically to remain informed of any updates.

Content updates are carried out regularly to align with ongoing developments within the financial and investment industries, which may influence our internal policies, procedures, and service offerings. These updates are part of our commitment to maintaining relevance, compliance, and operational integrity.

By continuing to use this website, users acknowledge and accept that information may be revised or replaced without warning, and it is the responsibility of the user to stay informed of any such changes by reviewing the content periodically.

If you have any questions regarding the content or changes made to this website, please feel free to contact us for clarification.

6. Jurisdictional Disclaimer (Europe)

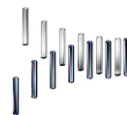

This website is intended to provide general information and does not constitute investment, legal, tax, or other professional advice. Users located within the European Economic Area (EEA) should note that any financial services or products mentioned on this website may not be available in all jurisdictions and are subject to applicable European laws and regulations.

Integer Wealth Global does not represent that materials on this website are appropriate or available for use in all locations, and access to them from territories where their contents are illegal is prohibited. It is the user's responsibility to ensure that they are complying with local laws and regulations before acting on any information provided on this site.

If you have any questions regarding the content or changes made to this website, or if you require further clarification concerning regional regulatory implications, please contact us directly.

Users located within the European Economic Area (EEA) should also be aware that:

- Integer Wealth Global operates in accordance with relevant EU financial services legislation, including the **Markets in Financial Instruments Directive II (MiFID II)**, where applicable.

- Any investment-related content is for informational purposes only and does not constitute a solicitation or offer to buy or sell financial instruments.
- We comply with the **General Data Protection Regulation (GDPR)** regarding the collection, processing, and storage of personal data. Users' personal information will be handled in accordance with our Privacy Policy and applicable data protection laws.
- Where applicable, our activities may fall under the regulatory framework of the **Alternative Investment Fund Managers Directive (AIFMD)**. Any references to investment funds on this site are intended only for professional investors as defined under EU regulations and may not be available to retail investors or in certain jurisdictions.

It remains the responsibility of the user to ensure they are in compliance with local laws and regulatory requirements before relying on or acting upon any information contained on this site.

Access to and use of this website is at the user's own risk, and Integer Wealth Global disclaims all liability for any loss or damage arising directly or indirectly from the use of the content provided.
